

## Priory Federation of Academies Trust Policy Statement on Provider Access (PAL)

Updated January 2024

### Priory Belvoir Academy

This policy statement sets out the arrangements for managing the access of providers to students, for the purpose of giving them information about the provider's education or training offer. This includes access for colleges, training providers, university technical colleges, universities and all other post 16 providers, including technical, vocational and academic routes and apprenticeships.

As an Academy, we welcome a range of colleges and training providers into the academy to speak to our students. The Academy ensures compliance with the academy's legal obligations under the Baker Clause, which was introduced as an amendment to the Technical and Further Education Act, 2017. This statement complies with the updates Provider Access Legislation, from January 2023.

As per the statutory guidance, providers who speak to our students are invited to speak to all of our learners, and will be provided access to appropriate technology and facilities to deliver a meaningful and impactful session. Providers are invited, and encouraged, to leave any literature or prospectuses in our careers department. Our academy has its own careers programme, using impartial advice that supports students in developing a wider appreciation of the opportunities for progression.

#### Pupil Entitlement:

All students in years 8 to 13 are entitled:

- to find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point;
- to hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships
- to understand how to make applications for the full range of academic and technical courses.

In line with the updated Provider Access Legislation, as a school we provide a minimum of six encounters for all students with post 16 providers. This is broken down into key phases: -

<b>1<sup>st</sup> key phase</b>	Year 8 or 9	Two encounters for students that are mandatory for all to attend
<b>2<sup>nd</sup> key phase</b>	Year 10 or 11	Two encounters for students that are mandatory for all to attend
<b>3<sup>rd</sup> key phase</b>	Year 12 or 13	Two encounters that are mandatory for the school to put on but optional for students to attend

These provider encounters will be scheduled during the academy day and the provider will be given a reasonable amount of time to, as a minimum:

- share information about both the provider and the approved technical education qualification and apprenticeships that the provider offers
- explain what career routes those options could lead to
- provide insights into what it might be like to learn or train with that provider (including the opportunity to meet staff and students from the provider)
- answer questions from all students, including our most vulnerable and those with additional learning needs

The academy day runs from 8.40am until 3.10pm.

This complies with the school's legal obligations under Section 42B of the Education Act 1997.

As part of our careers programme, we will consider requests from approved training, apprenticeship, technical and vocational education providers, including University Technical Colleges, to speak to our students. Priory Belvoir Academy will also approach these providers directly when planning and organising key career related events throughout the academy year, as outlined in the academy's student entitlement statements. Meaningful encounters will be informed by the Careers and Enterprise Company's '[Making it meaningful checklist](#)'.

The quality and impact of careers provision at Priory Belvoir Academy is monitored by our Senior Leadership Team, the careers team, the Trust's Strategic Careers Lead, and the Local Governing Body. Access and opportunity to engage with technical, vocational and training providers will form part of this process.

The academy will make the main hall, classrooms or private meeting rooms available for discussions between provider and students, as appropriate. The academy will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Lead or a member of their team. The academy can also facilitate live, virtual/hybrid delivery mechanisms, where the encounter is meaningful and high quality, following the same standards as a face-to-face encounter.

### [Destinations of our students](#)

Last year our year 11 students moved to a range of providers in the local area after school:

- Melton Vale Sixth Form
- Toothill School Sixth Form
- Grantham College
- Brooksby Melton College
- Nottingham College
- Confetti College

### Management of provider access requests

All requests made by providers should be emailed at least 6 weeks in advance of the expected date of the session. All requests should also include the table, attached in Appendix A.

In the first instance, requests by providers should be sent to: -

**Name of Careers Co-ordinator:** - Catherine Wrate

**Careers Co-ordinator email address:** - [cwrate@prioryacademies.co.uk](mailto:cwrate@prioryacademies.co.uk)

**Tel No:** - 01949 844920

### Granting Requests and Refusal of Requests

Once your request has been submitted, the Academy Careers Leader will respond to you as soon as possible. All requests will be given due consideration from the designated Careers Leader and Senior Leadership Team.

The resources you provide, and your presentation, should include: -

- Details of the opportunities you offer including technical education, courses and entry requirements
- What is learning like with your institution?
- How do you prepare students for their best next step on successful completion of your course/training?
- Provide examples of linking courses with careers relating to the labour market and recent positive destinations of students who have completed their learning with you

Requests will be considered against: -

- Clashes with other planned activities or visits.
- Interruption to preparation for public or internal examinations.
- Availability of school staff, space and resources to host the session.
- All requests will also be considered in line with the academy Safeguarding policy. For questions on this policy statement or the wider careers programme at Priory Belvoir Academy please do not hesitate to contact us.
- Priory Belvoir Academy will keep a log of all provider requests for access and the outcomes and record on Compass Plus to support the delivery and evaluation of the careers programme.

### Opportunities for access

Priory Belvoir Academy offers the six provider encounters required by law and a number of additional events, integrated into the academy careers programme. We will offer providers an opportunity to come into the academy to speak to students and/or their parents or carers.

This policy statement will be evaluated with the Careers Leader and the Strategic Careers Lead as part of the Compass+ evaluation, three times each academic year.

If a provider has reason to make a complaint in relation to this statement please email Mr E Potter, Head of Apprenticeships and Careers for Priory Federation of Academies Trust ([epotter@prioryacademies.co.uk](mailto:epotter@prioryacademies.co.uk)) who will investigate further.
