- If students are involved in clubs afterschool a mobile phone is really useful for students to arrange lifts. If this is not the case, we recommend that you leave your phone at home.
- If you need to contact home during the day you can use the school phone and ring from the academy office.
- If you bring devices in to school it is their responsibility to look after them.
- If your phone has been confiscated, in the first instance, we will return the item at the end of the school day and notify parents this has happened. For any future confiscations, we will ask parents to come and collect the item.

2(i) - School Bus

- Bus passes are issued directly by Leicestershire or Lincolnshire School Transport (depending on your location) in the summer before you start with us. You will be given instructions and details where you will be picked up and dropped off.
- Bus passes are checked each journey so you need to keep them safe.
- For the first few days, you will be released from period 5 early and shown to the correct bus. This will soon become familiar.
- **If a student's behaviour is not safe the bus company can ban the student from the bus for a period of time, or permanently.**

2(j) - Arriving and leaving school

- For the first few days Year 7 will be shown which bus they will need to catch and dismissed from period 5 early.

2(k) - Attendance

As with all schools there is a great emphasis on excellent attendance. Our expectation for students is that their attendance will be 100%.

All students know their attendance %. If a student is absent this can affect:

- Friendships.
- A build up of pressure.
- Gaps in knowledge, which leads to a negative affect on GCSE results.
- Mental health.
- Long term resilience when leaving school and going to college, getting a job.

If a student is absent parents and carers are to contact school by 10.00am on the day of absent.

2(l) - Student support

Form tutor – your form tutor is your key member of staff. You will see them every morning (20 minutes) for registration. If you have any questions (e.g. where are the toilets), concerns (e.g. I have left my PE kit on the bus), or letters to hand in, they are the person to see.

Additional pastoral support – some students may need additional support at some point during their time at Belvoir. This could be for worries to do with home or school. We have a team of staff that will support students at these times.

Additional support during the lessons – your primary school will pass on all the information about the support that you have at primary school. We have a team of Teaching Assistants that support students in lessons.

2(m) - SEND

We offer a graduated response to SEND in line with student need:

If you are on the SEN Register, your school SENCO will pass on any SEN information through your SEN transition passport

We offer a range of adjustments to meet student need, both in lessons and through targeted interventions

Students on the SEN register will have a SEN passport which identifies their needs and any relevant adjustments

At Priory Belvoir, our SEND support base is in **Vale Court** which is available during break, lunch and after school. There are also a number of interventions which take place from here.

2(n) - Social Media - Facts and advice

Taking and sending photos: You do not have the right to take someone's photo without their permission, no one is allowed to do this. They are violating you and you could have a legal right to sue them.

Resending someone's photo from a social media page and repost without permission, even if you are in the picture, you are breaking the law.

Age rating: All social media sites (including Tiktok, Snapchat) are at least age 13, some have increased this to 16, including WhatsApp.

Posting messages : Harassment, malicious communications, stalking, threatening violence, are all crimes and have been for a long time. These offences all pre-date the invention of social media. These offences are offences under the law of England and Wales.

School recommend that children do not access these sites until the recommended age (at least 13), we also recommend that parents check their childs' phone regularly.

2(o) – Grafham Water – Residential 21st – 23rd October 2026
